Features & Benefits

- 3" taper cut tower design provides a sleek, modern appearance with space for custom branding.
- 100% SS 304 beverage contact preserves beverage purity while ensuring superior hygiene.
- Air-cooled technology maintains chilled beer from the cooler to the faucet for a consistent pour.
- Premium SS polished finish offers excellent corrosion resistance and enhances bar aesthetics.
- Single faucet configuration is ideal for serving one beverage with smooth and controlled dispensing.
- Heavy-duty stainless steel construction ensures reliable performance and long service life.
- Easy screw-mount installation provides secure countertop mounting with minimal maintenance.
